POLICY STATEMENTS

Timely Warnings

In the event that a Clery crime occurs that constitutes a continuing threat to the Premiere Career College community, the Executive Director will issue a campus-wide warning. Policy for Reporting the Annual Disclosure of Crime Statistics

Premiere Career College prepares an Annual Disclosure of Crime Statistics to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The College compiles crime statistics from College records and from local law enforcement agencies. The statistics are then compiled into a crime report which can be accessed at our website at:

<http://www.premierecollege.edu/consumerinformation>

Written notification of the release of this report is given annually to students and staff. The College provides a written copy of the report upon request.

Sexual Assault Prevention and Response

The College advises the campus community about sexual assaults through the student handbook and the Premiere College Newsletter. Additionally, the Office of Student Services maintains materials on risk reduction and prevention.

If you are a victim of sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The College strongly advises that a victim of sexual assault report the incident to law enforcement in a timely manner. Time is a critical factor for evidence collection and preservation. Filing a police report will:

- Ensure that the victim of the sexual assault receives the necessary treatment and tests, at no expense to the victim
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, change clothing, or otherwise take actions that may interfere with evidence collection prior to medical and legal examination).
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

It is the policy of Premiere Career College to allow both accusers and accused in cases of alleged sexual assault to select one person who has no formal legal training to accompany them throughout the

college's disciplinary hearing. At the conclusion of the disciplinary hearing, both the accuser and the accused will be informed of the outcome. Details of the College's disciplinary hearing procedures and the possible sanctions can be found the Premiere Career College Student Catalog. The College will assist victims of sexual assault in notifying appropriate law enforcement if such assistance is desired. The College will also accommodate victims of sexual assault with changes to their academic programs if possible and practical.

Disclosure of Disciplinary Hearing Results to Alleged Victims

Premiere College will, upon written request, disclosure to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, Premiere College will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Sexual Offender Registration

Emergency Response and Evacuation Procedures

Anyone with information about a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees should immediately inform the Premiere Career College front desk (626) 814-2080. After confirming the threat using all available tools, the front desk official will use best judgment to determine who should be notified and how to disseminate the information.

Depending on the decision of the front desk official, the College may notify the campus community via intercom, in person, via bulletin board, or newsletter unless it is deemed that notification will compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. If the front desk official determines that it is necessary to inform the larger community (public) then the front desk official shall contact the appropriate law enforcement agencies and pass on the relevant information.

Evacuation procedures are posted in each campus building. Evacuation and notification drills are scheduled at least once per calendar year.
