

PREMIERE CAREER COLLEGE CREDIT TRANSFER POLICY AND ARTICULATION AGREEMENTS

Students desiring credit for previous postsecondary education or experience will be interviewed and tested at the College to determine the level at which they may be able to join a class already in progress. Students who wish to transfer credit from another institution must provide an official transcript from that institution. Final determination related to the award of transferred credit or credit for experience will be at the sole discretion of College. Students granted credit would have their tuition reduced by an amount determined by the College by prorating the tuition.

Students already enrolled and are changing programs will be evaluated for satisfactory progress in their previously enrolled program to determine which credits can be considered for transfer to the new program. If transferable units are found, then the length of the new program will then be adjusted and appropriate tuition credits will be applied.

For Vocational Nursing, transfer credit will be granted to applicants from an accredited institution, who have satisfactorily completed within the past five years; academic course work in a class and/or clinical setting, in a Psychiatric Technician Program, Vocational Nursing Program, Certified Nursing Assistant course; Armed Forces, Practical Nursing course and Registered Nursing course. Also included are related courses such as Nutrition, Anatomy and Physiology. Course work from accredited nursing programs will be granted credit on the basis of similarity to Premiere Career College's program.

Former students who were in good standing when they left the program and who wish to come back will be granted credit for courses taken. No credit will be given to students who have been away from the program for over five years or more.

Students desiring credit for previous nursing education (CNA, LVN, RN, BSN) or experience will be interviewed and tested at the school to determine the level at which they may be able to join a class already in progress. Students who wish to transfer credit from another institution must provide an official transcript from that institution. Final determination related to the award of transferred credit or credit for experience will be based on the provision of the Nursing Act.

The transferability of credits you earn at Premiere Career College is at the complete discretion of the institution to which you may seek to transfer. Acceptance of the diploma or certificate you earned in any of the educational programs we offer is also at the complete discretion of the institution to which you may seek to transfer. If the credits, diploma or certificate that you earned at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of

your coursework. For this reason you should make certain that your attendance at Premiere Career College will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Premiere Career College to determine if your credits, diploma or certificate will transfer.

The College currently has no articulation agreement with any other institutions.
